How We Can Help You:

- Provide a CFO or Controller to oversee your current bookkeeper or assist with a special project.
- Provide an interim CFO or Controller as a stop gap for a departing employee.
- Assist with Audit Preparation and clean up.
- Provide upper level accounting expertise to help clean up your books and reconcile accounts prior to a tax filing.
- Update financial statements to secure bank financing.
- Perform financial analysis to help better understand your operating margins and profitability.
- Provide a CFO or Controller to help prepare for a sale or restructuring event.

Why MindShift Partners?

- Lower Costs.** Our rates are significantly lower than CPA firms and brand name consulting firms.
- Flexibility.** You can control costs by using our services on a part-time or project basis.
- No Minimums.** We charge on an hourly basis and you only pay for the time you use.
- Experience.** Our associates have 15+ years of experience and can hit the ground running.
- Quality.** MBA or CPA skill sets available.
- Better Service.** Our partners take the time to get to know our clients in person.
- Proven.** Since its inception in 2004, MindShift Partners has built a successful track record.

Testimonial

"MindShift Partners provided a highly-skilled Controller to help us complete our pre-audit schedules. Their associate was professional, reliable and experienced."

- David Balce
Emerald Health Services

Testimonial

"I think the value add of MindShift Partners is that they can fill the gap between a company that can support a full-time controller or CFO, and a company that is on the way to getting there."

- Greg Moore, CEO
Harbor Healthcare

Testimonial

"My private equity firm needed a Controller on a project basis for one of our portfolio companies. MindShift Partners sourced one of their associates with the just skillset we were looking for."
